About the Firm

Ahmad Associates Ltd (AAL), founded in 1989, is a minority-owned firm of certified public accountants (CPAs) and management consultants with a unique combination of skill sets that cover a wide array of specialties based on solid knowledge and experience. Our experts provide nationwide, creative, value-added services based on our professional expertise & proven technical service delivery systems.

AAL brings a wealth of expertise in governmental audits (Yellow Book & Single Audits), compliance audits; performance audits (CNS) and assessments (CFPB, ARPA-E); comprehensive contract audit services including FAR 30 & FAR 31 cost audits (DOC, DOE, NASA, NIH, HUD PHAs' federal assistance - grants, subsidies, cooperative agreements); financial audits of HUD PHAs, non-profits, state & local gov't entities; MBS issuers audits; auditability assessment (DoD-MDA); agreed-upon procedures audits (Library of Congress, OSHA); internal controls and process improvements (DHS-ICE; A-123 & SSAE 18); program and budget support (Ginnie Mae); budget & financial analysis (CFPB); credit risk analysis & assessment (lenders & institutional borrowers, i.e. **SBA 7(a) & 504** and USDA-RD Sec 515), regulatory compliance, credit subsidy model (Ginnie Mae); toxic/troubled loan asset predictive model; A-76 studies (DoD-DLA), financial & accounting systems (DOC), and information technology. IT projects have included automation at DHS-ICE and maintenance of financial system, PFAM at Ginnie Mae.

Our combined extensive governmental audit, accounting, financial management, internal audit, credit risk management, and information technology experience enables us to offer the broadest skill sets to meet any challenges. Our 100+plus seasoned professionals bring impressive background mix that spans private sector, as well as, Governmental institutions/agencies such as HHS, FDIC, CFPB, Treasury, Fannie Mae, Freddie Mac, Ginnie Mae, HUD, **SBA**, USDA, DHS, DoE, DoC, Library of Congress, and DoD-MDA to name a few.
